

Before You Go

Get information about health insurance available to you in the U.S. (through your husband's provider as an example) and those insurances available to expatriates in your home country (such as Mondial assistance or others).

For French residents, if you want to remain part of the government retirement plan and health insurance, you can contact the “Caisse des Francais a l'Etranger”.

If you have a driving license, get an international driving license from your town hall.
